

Keep a Dream Journal

Print a copy of this page to put by your bed. Say to yourself as you are going to sleep that you want to remember your dreams. Try to keep your eyes closed when you wake from a dream and go over it in your mind. Then write what you can about it and/or draw a picture. Try to write each day for a week. What do you think about your dreams? Do they come from your waking life? Do they give you clues from the past or future? Do they give you solutions to problems?

THE STORY OF YOUR NAME

In the book, Johnny Elk and Penny Who Hears the Trees are given names to commemorate a special day or talent. What do you know about your family traditions around naming? Ask your family and think about your name. It's your story and no one else's.
